

Let's stand together to create healthy relationships and a community where everyone feels respected and safe

Standing Together is an Anglicare WA initiative offering free one-hour workshops on the signs and drivers of family & domestic violence and how as a community we can work together to prevent it.

Parish & Community Workshops

We can all support the prevention of family and domestic violence whether or not we are likely to experience violence in our own lives.

For the Anglican parishes in the Dioceses of Perth and Bunbury, Anglicare WA will deliver free one-hour workshops to grow awareness and understanding of family and domestic violence, what drives its prevalence and importantly, how as a community we can work together to end it.

The workshops presented in a church, collectively invite the attendance of parishioners and the wider community.
