

Working with Children Application Procedures

Prior to applying for a Working with Children Form you must be Safe Church compliant and have completed the following:

- Online Safe Church Training
- Relevant Safe Ministry Form
- Referee Check
- Provided National Police Clearance

❖ New Working with Children Card Application

The procedure for applying for a Working with Children Card is as follows:

❖ Renewal of Working with Children Card

The renewal of the Working with Children Card can be completed two ways. For those without internet access or have an expired card the procedure is the same as if you were applying for a card the first time, as shown above. The card will only be renewed if the application is received within 3 months of the expiry date.

If you have internet access you can complete the online renewal process as follows, providing the application is submitted 3 months prior to expiry.
